

Data Sheet

FARM MACHINERY CLEANER & DEGREASER

25 Litre container

Heavy Duty Cleaner and Degreaser for Farm Equipment, Machinery, Concrete Yards, Farm Buildings, Animal Houses, etc

Dissolves grease, muck, grime, oil and dirt.

Apply by spraying, brushing or through a Power Washer

For best results pre-wet vehicle surface and apply TFR diluted with up to 200 parts of water, by low pressure spray. Adjust the dilution for desired foaming. Clean all surfaces thoroughly and rinse off under high pressure.

Note: Do not allow product to dry on surface before rinsing. It is advisable to pre-test a small area if the vehicle has been repainted recently

HEALTH & SAFETY: Refer to health and safety sheet.

The information contained on here & on other Data Sheets / MSDS Sheets is based on the present state of knowledge and current national legislation. It provides guidance on health, safety and environmental aspects of the products and should not be construed as any guarantee of technical performance or suitability for particular applications. The responsibility to ensure safe working conditions within the workplace remains with the user. The health hazard and general information contained within Material Safety Data Sheet are given as a guide to the precautions required maintaining a safe work environment.
