Forecourt Cleaner

Description

A powerful yet versatile cleaner and degreaser formulated to clean all surfaces with the minimum of effort. It quickly dissolves grease, oil, diesel and grime around pumps and forecourt areas. Formulated with emulsifiers, detergents, wetting agents and a water soluble solvents it is a safe, non flammable degreaser and oil convertor.

Benefits

- Excellent cleaning action even using cold solution.
- Contains powerful emulsifiers.
- Economical to use.
- Neutralises hazardous oils and fuels.
- Non flammable

How to Use

Make a solution of Forecourt Cleaner diluted with between 5 and 50 parts of hot or cold water, depending on the level of soiling. Apply solution to the surface by mopping, brushing or spraying. Allow a contact time of at least 1-2 minutes, agitate if necessary and rinse off by flushing or wiping with clean water.

Note: do not allow product to dry on glass, or aluminium surfaces. Rinse thoroughly.

HEALTH & SAFETY: Refer to health and safety sheet.

The information contained on here & on other Data Sheets / MSDS Sheets is based on the present state of knowledge and current national legislation. It provides guidance on health, safety and environmental aspects of the products and should not be construed as any guarantee of technical performance or suitability for particular applications. The responsibility to ensure safe working conditions within the workplace remains with the user. The health hazard and general information contained within Material Safety Data Sheet are given as a guide to the precautions required maintaining a safe work environment.
