

KLEEN & GLEAM

Luxury Car Shampoo & Wax

Description

A non-caustic, concentrated, high quality car shampoo and wax containing surface active detergents for the removal of road film, grease, insects and dirt from all vehicles. Formulated with a blend of surfactants, wetting agents and wax. It will leave the vehicle clean and shiny with a protective film of wax. It is safe to use and will not remove existing polishes. It will not leave any powdery residues or streaking after rinsing.

Benefits

- Excellent cleaning action.
- Contains no solvents or caustics.
- Economical to use.
- High foaming
- Contains biodegradable surfactants.

How to Use

For best results pre-wet vehicle surface and apply a 1:30 to 1:200 solution of car shampoo by low pressure spray, brush or sponge. Adjust the dilution for desired foaming. Clean all surfaces thoroughly and rinse off under high pressure. For an excellent shiny finish wipe all metallic parts with a soft cloth.
Note: Do not allow product to dry on surface before rinsing. It is advisable to pre-test a small area if the vehicle has been repainted recently.

HEALTH & SAFETY: Refer to health and safety sheet.

The information contained on here & on other Data Sheets / MSDS Sheets is based on the present state of knowledge and current national legislation. It provides guidance on health, safety and environmental aspects of the products and should not be construed as any guarantee of technical performance or suitability for particular applications. The responsibility to ensure safe working conditions within the workplace remains with the user. The health hazard and general information contained within Material Safety Data Sheet are given as a guide to the precautions required maintaining a safe work environment.
