

Malcolm Smith – Power Cleaning

TAR REMOVER

Tar, Adhesive and Glue Remover

DESCRIPTION

A hydrocarbon based formula containing no chlorinated solvents or methanol. It is highly effective at removing tar, glues, rubber and adhesives from most hard surfaces including painted surfaces. Can also be used as a spot cleaner on fabrics (after testing for colourfastness)

To removes grease, oil and other stubborn stains.

BENEFITS

- * Excellent cleaning action.
- * Contains no chlorinated solvents.
- * Safe on most hard surfaces including fabrics..
- * No unpleasant fumes or odours.

HOW TO USE

Spray or apply with a cloth undiluted onto the surface to be cleaned and allow it to penetrate the soiling. It may be necessary to agitate with a soft brush. Rinse thoroughly with clean water. Always check first that the surface is suitable and that any colours will not run or fade.

WHERE TO USE

Industrial outlets, Car show rooms, Car valeting companies, Garages and Transport industry, Oil and Fuel companies, Hospitals and Nursing Homes, Schools and Colleges, Hotels and Restaurants, Boats and Marine industry, Construction companies, Local Government Departments.
